Supplier Terms - Alpinewood Supply Co.

This document records the trading terms agreed between Harbor Goods and Alpinewood Supply Co., referred to here as Alpinewood. Alpinewood supplies tents, shelters, sleeping bags and sleeping pads. These terms apply to every purchase order Harbor Goods sends to Alpinewood from 1 January 2026 until 31 December 2027, unless both parties agree a change in writing.

Ordering

Every order must be placed with a Harbor Goods purchase order. The minimum order value is 2,500 USD per purchase order, measured before freight. Orders below the minimum are accepted only if Harbor Goods pays a small-order fee of 75 USD. Alpinewood confirms each purchase order in writing within 2 business days and states the expected ship date.

Prices

Prices are fixed for each calendar year and listed in the Alpinewood price list. Alpinewood must give 60 days written notice of any price change, and a change never applies to purchase orders already confirmed.

Payment terms

Payment is due net 30 from the invoice date. Harbor Goods may take a 2 percent early payment discount if it pays the full invoice within 10 days of the invoice date. Invoices must show the Harbor Goods purchase order number and must be sent only after the goods have shipped. Payment is made by bank transfer in US dollars.

Delivery

The standard lead time is 21 calendar days from confirmation of the purchase order to delivery at the Harbor Goods warehouse. Goods are delivered to the warehouse dock on weekdays during receiving hours. Freight is prepaid by Alpinewood on orders of 5,000 USD or more; on smaller orders, freight is added to the invoice at cost.

Late delivery

If a delivery arrives later than the confirmed date, Alpinewood credits Harbor Goods 1 percent of the purchase order value for each full week of delay, capped at 5 percent of the purchase order value. Harbor Goods may cancel any part of an order that is more than 4 weeks late without paying for it.

Packaging and labels

Each carton must carry a label with the Harbor Goods SKU, such as HG-TENT-220, the quantity and the purchase order number. Cartons must not weigh more than 50 lb.

Defects

Harbor Goods reports manufacturing defects to Alpinewood within 14 days of receipt for defects found at receiving, and at any time during the warranty period for defects found later by customers. Alpinewood replaces or credits defective goods, at its own choice, and collects them at its own cost.

Warranty support

Alpinewood reimburses Harbor Goods for warranty claims on Alpinewood products that Harbor Goods approves under its own warranty, for up to 2 years from delivery to the customer.

Ending the agreement

Either party may end these terms with 90 days written notice. Purchase orders confirmed before the notice date must still be delivered and paid for.
